## RECOVERY & REGENERATION

**Yoga Flow:** This class combines a flowing sequence of movements with longer held postures. In this breath-centered practice, we will move through classic standing, balancing, seated and supine postures. Level ② **Instructor: Heidi Rumball**

**The Edge** This class is for driven individuals who are used to pushing hard at work and play and are frustrated with repeated pain cycles, re-injury and poorly managed stress. Learn to move without compensation, recognize signals preceding pain and gain strength, stability and stamina. Be prepared to move and learn simple breathing and meditative techniques to calm the nervous system and improve performance. Level ② **Instructor: Heidi Rumball**

**Pilates, Roll & Renew:** A combo pilates core stabilization and stretching program targeted at all levels, addressing the bodies fascial lines, from head to toe. Level ② **Instructor: Anne Baker**

**Pilates Matwork:** Matwork pilates works to improve flexibility, balance and posture, as well as tones and strengthens the entire body. Level ③ **Instructor: Lisa Rennie**

**Core @ the Barre:** Core @ the Barre class is a 60-minute workout that combines the best elements of pilates, ballet, and strength conditioning principles into a unique and fun workout. Level ② **Instructor: Katie Hamilton**

**Mom & Baby Core @ the Barre:** Designed specifically for postpartum women, Mommy & Baby Core @ the Barre focuses on posture, core and hip strength and flexibility. Inspired by a blend of strength training, pilates, dance and yoga, barre class is a dynamic workout that will help you to feel fit and strong. Level ② **Instructor: Katie Hamilton**

**TRX Yoga:** perhaps you have stood in the Active Life gym, staring at the pieces of nylon straps hanging down with two handles on them. These two straps can enhance strength, balance, agility, power, flexibility, ROM and joint mobility. By using the TRX unit for both support and challenge, this unit will challenge your core with Every exercise. It can be adapted to be as challenging as you wish. Try TRX yoga. Level ② **Instructor: Deb McCann**

### Regeneration Investment:

1 Pass	5 Passes	10 Passes	20 Passes	40 Passes
\$20+HST	\$72.50+HST	\$140+HST	\$270+HST	\$480+HST

## GROUP CONDITIONING ENERGY SYSTEMS

**Ride for 45+ Stretch:** Ride hard for 45 minutes followed by a 15 minute stretch. **Instructor: Kathy Boose**

**Spin, Abs & Strength:** Challenge your cardiovascular system along with your flexibility. Level ③ **Instructor: Deb McCann**

### STRENGTH & CONDITIONING

**Ladies Conditioning:** With a focus on injury prevention, functional and athletic movements, these classes are comprised of dynamic warm ups, agility, cardiovascular, strength, balance and core conditioning movements. Recovery sessions complete the workout with partner flexibility and foam roller myofascial work. Level ③/④

**Instructors: Mon, Fri 9:15am-Laura Powers, Tues 6:15am -Lisa Rennie, Thurs -Sarah Applegarth**

**Back to Basics:** This moderate intensity program is designed with a focus on training core stability, cardiovascular fitness, balance, flexibility, and functional movements. It is appropriate for individuals of any age who lead an active lifestyle and want to maintain or regain a healthy body. Small class size allows for individual attention and appropriate modifications to suit all levels of fitness. There is a strong focus on correct biomechanics for injury prevention. Level ②/③ **Instructors: Laura Powers, Deb McCann**

**The Nooner:** "It's worth leaving work for; lunchtime will never look the same again!" This class is a fusion of resistance training, cardio, sports training and an array of new, exciting exercises to keep you challenged. You will never know what to expect in this motivating co-ed workout. Each participant will receive a 15 minute injury screen assessment. Maximum participants 12. Level ③/④

**Instructors - Mon-Laura Powers, Tues/Wed/Fri- Mark Stovel, Thurs- Sarah Applegarth**

**Push Your Pace:** This is a specialized conditioning program with a focus on functionality designed to engage as broad a range of mental and physical components from your body as possible. **Instructors: Mark Stovel-Wed/Sat, Sarah Applegarth Thurs**

**Mom & Baby Strength & Conditioning:** Kinesiologist-directed training programs that will help you get your body back, quickly and safely. This program is aimed at preventing and correcting common postpartum conditions such as core/pelvic floor dysfunction, pelvic instability and postural dysfunction AND it helps you lose the baby weight too! **Instructor: Katie Hamilton**

### YOUTH ATHLETICISM

**Performance Training:** (14+ yrs) Performance Training is a form of functional training to prepare for high level athletic competition. Our philosophy is that athletes need a balanced program with equal parts strength and power, agility and speed, flexibility, recovery, nutrition and energy systems as well as a properly periodized plan. **Instructors: Sarah Applegarth, Mark Stovel**

**Train to Train:** (11-13 yrs) A program geared toward developing athletes to teach the next step in the fundamental movement patterns and introduction to strength training along with jumping technique and cardiovascular work.

**Instructors: Sarah Applegarth, Graeme Buckrell**

**Fit Girl:** (Females 11-17 yrs) A program with elements of Strength & Conditioning, Yoga, Nutrition, Barre and more. The underlying focus is a positive relationship with your body, self-esteem and confidence. **Instructor: Katie Hamilton**

**FUNDamentals:** (7-10 years) ABC's of athleticism agility balance coordination and speed. It is the fundamental movement patterns and gross motor skills necessary to achieve physical literacy. Done through games and various drills and skills. September 15 - October 27, Thurs 4:30-5:30pm **Instructor- Dave Campbell** Location: Harbourview Park

### Conditioning Investment:

1 Pass	5 Passes	10 Passes	20 Passes	40 Passes
\$20+HST	\$80+HST	\$155+HST	\$300+HST	\$520+HST

\*\*A 30 minute Movement Assessment is strongly recommended prior to participating in our strength & conditioning programs. The cost of this can be covered under extended health benefits.\*\*

## OTHER PROGRAMS

**Semi private Ladies conditioning:** Similar programming to Ladies conditioning classes this provides a small group environment. Investment (Sept 8-Oct 31): Mondays-\$150+HST,

**Private & Semi Private training:** to be booked at your own time as a 1:1, 2:1, 3:1 or 4:1 ratio of participant to coach ratio. Rates are based on number of sessions and participants.
